

REMARKS

By the present amendment, originally filed claims 1-13 have been cancelled. Originally filed claims 14-16 remain pending in the application. No new matter has been introduced.

The above amendment to the specification is made to identify the prior patent application relied upon for priority by the present divisional application, and to correct typographical errors.

CONCLUSION

In view of the foregoing amendments and remarks, it is respectfully submitted that the application is in condition for allowance and applicants earnestly solicit early examination on the merits and issuance of a Notice of Allowance. Should the Examiner believe that any additional information or amendment is necessary to place the application in condition for allowanced, he is urged to contact the undersigned Attorney via telephone at 408 956-4066, or facsimile number 408 956-4404.

The Commissioner is hereby authorized to charge any required fees due in connection with this submission, including petition and extension of time fees, and to credit any overpayment to Deposit Account No. 10-0750 (Docket No. LFS-093-USA-DIV/BES) (Johnson & Johnson).

Respectfully submitted,
